Subject: 2008 CLEAR Scholarship

Dear Elaina

It is my great pleasure to inform you of the results of the deliberations of the Robert Caton Scholarship Selection Committee for the 2008 year. Your application was evaluated as our third choice and as a result, I am pleased to inform you that you are the winner of the BC CLEAR Scholarship for 2008. This is the third year that we have been able to include additional recognition to post graduate students and this scholarship provides \$2,000.00 to the winner. We were impressed by your application and we are pleased to acknowledge your efforts.

The BC CLEAR Scholarship is awarded based on our committee evaluation and is one of four awards that are being made this year. The award is a reflection of the high regard that friends, colleagues and business associates held for Dr Robert Caton and Dr. David Bates two pioneers in the field of health and air pollution that are remembered for their contribution. The BC Ministry of Environment have provided the support for this award as part of their efforts to build capacity and knowledge in the important field of air pollution and human health effects.

The BC CLEAR Scholarship will be presented at the BC Lung Association Air Quality and Health Workshop on March 27th at the Sheraton Wall Centre at 12:15. We are pleased to invite you for the official presentation and would be delighted if you would attend and be prepared to talk about your research for 2 – 3 minutes. If you plan to attend, please fill out the registration form (attached), return it to BCLA, and put "Caton/Bates/CLEAR awardee" as method of payment. If you are unable to attend please call or email Kathy Preston of RWDI Air - (604) 730-5688 extension 3223, email: kathy.preston@rwdi.com.

The BC CLEAR Scholarship funds are provided by the BC CLEAR Fund (CLEan Air Research) managed by the Fraser Basin Council and we will arrange for payment to you at the address indicated in your application. The BC Ministry of Environment deserves special recognition for supporting this scholarship as well as two other awards on top of their contribution to the Robert Caton Scholarship.

Yours truly,
For the Robert B. Caton Scholarship Selection Committee

Bill Lightowlers
